**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic for 7 years total and have benefited from both their DSL and now Gigabit Fiber services for my internet and phone. I was unhappy with the customer service and prices of AT&T and wanted to avoid the horror stories of service and high prices I have heard about from friends about Comcast service. These are the only three options for service in the Bay Area! I need choice, and Sonic, with its truly cut-above-the-rest service, is mine.

I work from home and the internet is the only way I can do my job. Any price hikes to my service cut into my income as an independent contractor. No price hikes, please!

Thank you for your consideration.
